telephony

INDEX TO VOLUME 210

Published by Telephony Publishing Corp. JANUARY THROUGH JUNE, 1986 55 E. Jackson Blvd. Chicago, IL 60604

AS WE SEE IT

See EDITORIALS

ASSOCIATIONS – STATE

KENTUCKY

Kentucky Telephone Assn. examines new technology, by W.H. Farmer, June 2, p. 70.

NORTH DAKOTA

North Dakota telco group ponders industry's future, by Roy Scheel, May 5, p. 144.

VIRGINIA

Industry struggling with change, VTA hears at annual meeting, June 16, p. 90.

WISCONSIN

Wisconsin's telcos react to change, by Ellis Booker, June 9, p. 76.

ASSOCIATIONS – OTHER

AMERICAN ELECTRONICS ASSN. (AEA)

AEA and EIA plan to merge Tokyo offices, June 23, p. 104.

ELECTRONIC INDUSTRIES ASSN. (EIA)

AEA and EIA plan to merge Tokyo offices, June 23, p. 104.
EIA sets seminar on bypass connections, Jan. 6, p. 23.

NATIONAL EXCHANGE CARRIER ASSN. (NECA)

Snedaker re-elected NECA chairman, CEO, Feb. 3, p. 92.

NATIONAL SPECTRUM MANAGERS ASSN. (NSMA)

Who does the nuts and bolts work on frequency coordination, by Daniel J. Collins, March 3, p. 40.

NORTH AMERICAN MOBILE ASSN.

Cellular group backs R&D, June 2, p.77.

ORGANIZATION FOR THE PROTECTION AND ADVANCEMENT OF SMALL TELEPHONE COMPANIES (OPASTCO)

OPASTCO members determined to survive, by Karen Woodward, Jan. 20, p. 24.

PUBLIC TELEPHONE COUNCIL

Public Telephone Council chooses officers, directors, April 7, p. 25.

TELE-COMMUNICATIONS ASSN. (TCA)

TCA sets conferences, announces new leader, Feb. 17, p. 88.

AT&T

AT&T Bell Labs builds photonic switching chip, June 23, p. 104.
AT&T Bell Labs uses a molecular-beam epitaxy apparatus to check the growth of a new semiconductor structure, Jan. 6, p. 71.
AT&T Mail makes debut; MCI, CompuServe connect, March 3, p. 20.
AT&T Network Services has developed new operator services software, March 31, p. 24. (Photo)
AT&T Network Systems introduces ISDN CO-LAN, by Ellis Booker, Feb. 10, p. 13.
AT&T adds cable with REA approval, June 2, p. 70.
AT&T apparent winner in strike settlement, by Carol Wilson and Maribeth Harper, June 23, p. 13.
AT&T begins consolidating business sales groups, Feb. 17, p. 21.
AT&T chooses Brussels for regional headquarters, May 26, p. 24.
AT&T continues conversion to new routing system, April 28, p. 82.
AT&T continues its merger process, June 9, p. 97.
AT&T cuts business ties with South Africa, April 21, p. 98.
AT&T cuts discounts, tests new services, March 3, p. 15.
AT&T employee files sex discrimination suit, March 31, p. 70.
AT&T expands Accunet to international markets, Feb. 10, p. 90.
AT&T fills first-day blitz at ICA with promises, new products, by Larry Lannon, June 9, p. 24.
AT&T officially taps Olson to replace Brown, by Carol Wilson, May 26, p. 13.
AT&T scuttles Net 1000 for poor performance, Jan. 27, p. 69.
AT&T ships first 5ESS switch to China, May 12, p. 23.
AT&T signed a lease for space in a facility to be built by Stein & Co., June 23, p. 30.
AT&T signs software firm to aid office automation, Feb. 3, p. 93.
AT&T tests deregulation waters as Illinois grants interim status, Feb. 17, p. 15.
AT&T unveils integration products at CN'86, Feb. 3, p. 96.
AT&T unveils software for 'worldwide solutions', Feb. 10, p. 89.
AT&T, British, French discuss TAT-8 services, Feb. 17, p. 18.
AT&T, four others sign TAT-9 deal, June 2, p. 73.
AT&T-C deregulated by Illinois commission, May 5, p. 17.
Battle lines drawn deep in CWA strike of AT&T, by Carol Wilson and Maribeth Harper, June 9, p. 13.
Divestiture sharpens issues in AT&T, BOC labor talks, by Carol Wilson, April 21, p. 78.
Long-distance profits fuel AT&T earnings gain, April 28, p. 26.
Net 1000 withdrawal leaves companies in lurch, April 28, p. 25.
No settlement seen as AT&T, CWA face deadline, by Carol Wilson and Maribeth Harper, June 2, p. 12.
Olson expected to win AT&T top spot, but vote not in yet, by Patricia Tobin, March 31, p. 13.
Procknow steps down as AT&T vice chairman, Jan. 6, p. 22.
Rate-cutting not over for AT&T after $1.5 billion reduction, by Maribeth Harper and Carol Wilson, May 5, p. 17.
Reach Out Canada plan launched by AT&T-C, March 17, p. 81.
Technology, management barriers must fall: Olson, by Janice Drummond, April 7, p. 13.
Voice-dialing technology pioneered by AT&T, April 28, p. 82.

BUSINESS COMMUNICATIONS

BellSouth Advanced Systems to market NTI office line, April 7, p. 26.
Bringing IBS service to a New England town, by Warren Rich, March 31, p. 34.
Business users in Europe face multiple choices for private voice systems, by John Williamson, June 23, p. 61.
Carriers and business users: Putting a damaged relationship back together isn't easy, by Larry Lannon, May 26, p. 60.
Data-voice multiplexer technologies for packet switched networks, by Robert E. Buss Jr. and G. Robert Leopold, June 9, p. 56.
The first of the satellite antenna dishes at the New York Teleport is now in service, May 5, p. 154. (Photo)
Illinois Center mixes innovative design with technological diversity, by Don Grant, April 14, p. 64.
MCI launches Prism 3 for businesses, by Larry Lannon, June 9, p. 90.
Netscan: universal private system manager, by Peter Fuchs and Paul Jackson, Feb. 10, p. 28.
New Wang office system based on twisted pair, April 21, p. 26.
New customer-defined network service, by Mel Berger and Ken Gibbons, March 10, p. 50.
PacTel unit uses PSTN to provide network diagnostic services to a variety of customers, by Bill Brenneman, March 10, p. 38.
Rolm introduces Redwood, a digital PBX/key system, June 9, p. 94.
Wang, Bell Atlanticom join in STS project, March 24, p. 30.

BYPASS

DTC begins DTS bypass service in Chicago, Jan. 6, p. 22.
Intellihub to fight bypass, say Nynex, No. Telecom, May 5, p. 31.

CANADA

Bell Canada blocks access to U.S. dial-a-porn lines, May 12, p. 13.
Bell Canada debentures to be sold in Europe, Feb. 17, p. 82.
CNCP Telecommunications places FO cable alongside Canada's rails—with a little help from a friend, by Robert T. Bradley, Feb. 17, p. 42.
CNCP asks for review of competition decision, March 31, p. 74.
Frank Degenstein named Telecom Canada president, March 17, p. 80.
Does paired copper cable have a future in Canada?, by E. Kardicali, March 10, p. 64.
Frank Degenstein named Telecom Canada president, March 17, p. 80.
Reach Out Canada plan launched by AT&T-C, March 17, p. 81.
Telecom Canada to proceed with national EFT trial, March 10, p. 92.

CARRIERS, VOICE AND DATA

ALC locates headquarters in Birmingham, Mich., Feb. 3, p. 93.
AT&T asks Illinois to deregulate IXCs, Jan. 13, p. 23.
Allnet announces its price cuts, June 30, p. 23.
Allnet gets detariffed status from Washington UTC, April 21, p. 34.
Allnet puts a new long on services, rates, April 28, p. 26.
American Network wins $37.5M in suit against InteCom, April 7, p. 66.
Argo eyes high-end niche with high-tech network, by John Pan, June 23, p. 38.
COMSAT head raps deregulation, June 2, p. 68.
Canadian Communications Co. changes name to C3, May 12, p. 61.
Carriers and business users: Putting a damaged relationship back together isn't easy, by Larry Lannon, May 26, p. 60.
Electronic bulletin board added to MCI Mail Service, March 10, p. 94.
GTE Sprint beefs up business offering, April 14, p. 15.
GTE reportedly ready for two joint ventures, Jan. 20, p. 15.
GTE units land K-Mart network, June 9, p. 13.
GTE units plan job cutbacks, June 30, p. 23.
GTE's Skystar debuts in K-Mart network, June 16, p. 98.
GTE, US Tel name US Sprint leadership, Feb. 17, p. 15.
GTE, United Telecom set data group leadership, April 21, p. 98.
ITT unit offers international calling, May 12, p. 23.
InteCom, Amnet reach settlement, June 2, p. 73.
LiTel turns up South Bend service, March 10, p. 96.
Lightnet inaugurates service between N.Y., Washington, May 12, p. 61.
Long distance phone rates continue downward slide, June 16, p. 28.
Long-distance reseller sues Pacific NW Bell, June 23, p. 100.
MCI Communications settles long-standing antitrust suits, Jan. 6, p. 13.
MCI and French DGT reach service agreement, Feb. 10, p. 94.
MCI announces FO link, approves change for IBM, May 19, p. 31.
MCI expands IBS service to Europe, Latin America, March 31, p. 74.
MCI extends to Italy, March 24, p. 88.
MCI launches Prism 3 for businesses, by Larry Lannon, June 9, p. 90.
MCI responds to AT&T cuts, June 9, p. 24.
MCI sponsors long distance driving contest with PGA, Feb. 17, p. 82.
MCI to lease FO facilities from Lincoln Telephone, May 12, p. 21.
MCI to provide service to Japan through KDD, March 10, p. 34.
MCI will contribute long distance telephone service to all Ronald McDonald Houses operated in the U.S., Jan. 20, p. 122. (Photo)
MCI, Bert Roberts make things happen, by Bert Roberts and Larry Lannon, Jan. 20, p. 68.
Microtel revises pricing on digital DS-1 channels, March 10, p. 94.
Microtel service gives volume users price break, May 12, p. 24.
Microtel's LaserExpress a cheaper WATS service, March 31, p. 74.
Qwest completes 29-city digital network, April 28, p. 84.
RCA Americom leases Lightnet FO link, May 5, p. 144.
RCA Globcom launches software product, by Larry Lannon, June 9, p. 94.
RCI cements deals with six IXCs, April 28, p. 82.
Software bug causes delays in GTE Spring billing, May 19, p. 31.
SouthernNet, RCI sign network sharing deal, March 17, p. 81.
Spacenet debuts digital service, June 9, p. 97.
Sprint, US Tel merger improves survival changes, by Carol Wilson, Jan. 27, p. 13.
Stamet launches low cost service to United Kingdom, Jan. 6 p. 23.
Tel Plus will market US Telecom services, May 26, p. 20.
Telesphere, ITT market operator long distance, Jan. 6, p. 22.
US Sprint deal is finalized, June 23, p. 30.
US Sprint execs base optimism on FO net capabilities, by Carol Wilson and Larry Lannon, May 5, p. 30.
US Sprint names two more officers, March 31, p. 24.
US Sprint: a strategic fit in a tough market, by Sandra Williamson and Charles M. Skibo, May 5, p. 84.
US Telecom enhances virtual private network, June 9, p. 96.
US Telecom offers discount on its Meeting Channel, March 10, p. 96.
Users boost spending as carriers boost networks, Jan. 27, p. 67.
Western Union reschedules annual meeting, June 16, p. 94.
Western Union seeks restructuring lifeboat, March 24, p. 17.

CATV

Centel launches CATV ANI pay-per-view system, by Susan Ubis, May 19, p. 34.

CUSTOMER-OWNED, COIN-OPERATED TELEPHONES (COCOT)

COCOT providers gain new territories, May 12, p. 233.
Michigan Bell allowed universal COCOT service, Feb. 17, p. 21.
Telecom MIS develops COCOT database, Feb. 17, p. 83.

CONFERENCES AND CONVENTIONS

AT&T fills first-day blitz at ICA with promises, new products, by Larry Lannon, June 9, p. 24.
Air of informality enhances Tampa BICSI conference, by Lloyd F. Brisk, March 3, p. 48.
Atlanta Showcase shatters attendance records, by Larry Lannon and Carol Wilson, June 9, p. 40.
A bushel of products cropping up in Atlanta, May 5, p. 49.
CN'86 exhibitor lineup, Jan. 6, p. 42.
CN'86: a cast of thousands set to descend on Washington, by Susan Ubis, Jan. 6, p. 40.
Capital investments at CN'86, Jan. 6, p. 44.
Color, features dominate CES, by Susan Ubis, June 16, p. 98.
CommunicAsia '86 vies for the exhibitor's dollar, by John Williamson, Feb. 24, p. 56.
Communications '86—one of Europe's premier telecom events—is ready to go, by John Williamson, March 24, p. 64.
Communications '86: An established success, by R.J. Raggett and John Williamson, June 23, p. 64.

Communications Tokyo '86: Companies show their corporate colors, by John Williamson, May 26, p. 80.
Communications Tokyo: one year into the new year, by John Williamson, Feb. 24, p. 57.
Competitors flock to ICA for battle of products, ideas, by Larry Lannon, June 23, p. 72.
Computers, communications focus of NEC showcase, by Leo Anderson, Feb. 10. p. 24.
Corralling the Western Showcase, by Patricia Tobin, Feb. 3, p. 58.
The Dallas Showcase: ISDN for whom?, TELEPHONY Staff Report, Feb. 17, p. 52.
The dawn of the super chip: a report on ISSCC '86, by Ellis Booker, March 24, p. 66.
Doing up Dallas, by Patricia Tobin, Jan. 20, p. 35.
The Eastern Showcase debuts in Atlanta, by Patricia Tobin, May 19, p. 56.
The Eastern Showcase gets a taste of southern hospitality, by Patricia Tobin, May 5, p. 40.
Eurocomm set to provide potpourri of info, by John Williamson, Feb. 24, p. 22.
European Communications Week falls short of goals, by R.J. Raggett, June 23, p. 69.
European Communications Week: A new contender emerges on the trade show circuit, by John Williamson, March 24, p. 62.
Fiber optic technology explored at OFC '86, by Sandra Williamson, March 3, p. 19.
Fiber technology update at OFC '86, March 17, p. 58.
Forecasting conference set for Tokyo in November, April 28, p. 78.
The game's just beginning for those who learn the rules, by Karen Woodward, Feb. 10, p. 68.
Gen Tel, GTE Supply sponsor trade show, March 10, p. 94.
Globecom studies new services, by Sandra Williamson, Jan. 6, p. 58.
Hotlanta hosts ICA Telecom '86, by Patricia Tobin, May 26, p. 30.
ICA exhibitors, May 26, p. 31.
ISDN, multi-function chips draw attention at ISSCC, by Ellis Booker, March 3, p. 23.
MexCom illuminates Mexico's telecom problems and opportunities, by Larry Lannon, Feb. 24, p. 62.
MexCom scores big on opening day, by Larry Lannon, Feb. 3, p. 92.
NEC show opens on Broadway, by Del Myers, April 7, p. 25.
NTT makes big splash at new Hanover show, by Peter Purton, April 28, p. 44.
New NATA regional show set in San Francisco, Feb. 3, p. 34.
New seminars, products headline NATA West, by Karen Woodward, June 30, p. 25.
Oh, Atlanta!, by Patricia Tobin, May 5, p. 43.
Pacific Bell conference gets bigger and bigger, by Lloyd F. Brisk, May 19, p. 136.
Pacific Bell to host telecom exposition, March 10, p. 34.
Policy issues spark CN '86, by Sandra Williamson and Maribeth Harper, Feb. 17, p. 58.
Product pickins' look peachy in Atlanta, May 26, p. 36.
Record number of PTTs gather for CommunicAsia/Infotech Asia, by John Williamson, May 26, p. 76.
Rustling up a herd of products in Dallas, Jan 20, p. 44.
Showcase exhibitors, May 5, p. 45.
Staley speaks at ECF 86, by Bob Janowiak, June 2, p. 77.
Symposium to unite space, telecom groups, Feb. 17, p. 84.
Technology, management barriers must fall: Olson, by Janice Drummond, April 7, p. 13.
Telecom trends lead to large users, by Del Myers, June 16, p. 96.
Teleconferencing '86 reflects industry trends, by Elizabeth Schultz, June 2, p. 74.
Teleprocessing seminar looks at Centrex and regulation, by Sandra Williamson, Feb. 3, p. 98.
Things look slightly better to non-wirelines in '86, by Maribeth Harper, April 7, p. 48.
Toward a digital Pacific, by Del Myers, Feb. 24, p. 60.
U.S. Pavilion sold out for Communications Tokyo, March 10, p. 92.
Western Showcase dons a 10-gallon hat, by Patricia Tobin, Jan. 20, p. 32.
(Western) Showcase exhibitors, Jan. 20, p. 37; Feb. 3, p. 63.
World integration focus of ICC '86, by Del Myers, June 30, p. 24.

CONTRACTS

Jan. 6, p. 71; Feb. 10, p. 96; Feb. 17, p. 94; March 10, p. 96; March 17, p. 83; March 31, p. 77; April 7, p. 66; April 14, p. 71; April 21, p. 99; May 5, p. 154, May 12, p. 62; May 19, p. 148; June 16, p. 100; June 23, p. 107.

COURTS AND COMMISSIONS

CALIFORNIA
California PUC reprimands Pacific Bell for practices, May 19, p. 26.
PUC orders Pacific Bell to change ways, June 16, p. 100.

IDAHO

Idaho eyes sweeping deregulation legislation, Feb. 17, p. 19.
Idaho legislation runs out of time, April 14, p. 24.

ILLINOIS

AT&T tests deregulation waters as Illinois grants interim status, Feb. 17, p. 15.
AT&T-C deregulated by Illinois commission, May 5, p. 17.
Illinois law carves path toward local exchange competition, by Susan Ubis, April 21, p. 85.

IOWA

Iowa allows VDT access to NWB DA database, Jan. 20, p. 126.
Iowa commission vetoes inter-LATA competition, March 3, p. 15.

KANSAS

Kan. commission warns of long distance scam, June 16, p. 84.

MONTANA

Montana law deregulates some carrier services, Jan. 20, p. 116.

NEBRASKA

Nebraska mulls two deregulation bills, March 17, p. 24.
Nebraska passes landmark telco deregulation law, April 28, p. 13.

NEW YORK

Rate moratorium plan nears acceptance, April 14, p. 22.

OHIO

Ohio tries measured EAS service, by Kim Robert Scovill, Feb. 3, p. 74.

UTAH

Utah passes two deregulatory bills, March 31, p. 24.

VERMONT

Regulator V. Louise McCarren: tackling the issues in Vermont, by V. Louise McCarren and Patricia Tobin, March 10, p. 44.
Vermont slows pace of deregulation process, April 7, p. 21.

VIRGINIA

Virginia relaxes rate procedure, June 16, p. 96.

WASHINGTON

Washington UTC releases competition study figures, Jan. 20, p. 122.

WISCONSIN

Wisconsin PCS mulls right-of-way payments, March 10, p. 30.
Wisconsin becomes deregulation trend setter, May 5, p. 26.

COURTS, FEDERAL

FCC reins tightened by Supreme Court ruling, June 2, p. 12.
Heated words fly as Greene rejects RHC business requests, by Maribeth Harper and Carol Wilson, Jan. 20, p. 15.
Refunds likely following court ruling, June 23, p. 106.

CUSTOMER PREMISE EQUIPMENT AND SERVICES

Contel Executone inks deal with No. Telecom, May 12, p. 23.
Contel Executone opens two Virginia offices, June 16, p. 98.
Illinois Bell will replace the University of Illinois' telecom system, Feb. 17, p. 80. (Photo)
Independent telcos become Thomson-CFS distributors, May 5, p. 142.
Indiana Bell's new service nails two major contracts, April 21, p. 13.
Interconnect-style AN success story—with a telco twist, by James D. Bennett, June 9, p. 70.
Nynex unit to build $7.8 million UN system, Jan. 27, p. 68.
PacTel unit to distribute Eagle/One telephone, Jan. 20, p. 128.
SNET beats out AT&T, wins first 5ESS sale, Jan. 20, p. 15.
Siemens, U S West aim for military market, April 21, p. 26.

DATA COMMUNICATIONS

BellSouth packet demo displays multiple links, April 7, p. 13.
Data-voice multiplexer technologies for packet switched networks, by Robert E. Buss Jr. and G. Robert Leopold, June 9, p. 56.
GTE Telenet expands, offers X.25 dial service, Feb. 10, p. 90.
Harris, Matsushita agree to jointly develop terminals, Jan. 6, p. 23.
Maintaining digital networks with data testers, by Alan Keene, Feb. 10, p. 32.
NW Bell introduces 56 kb/s digital service, Jan. 13, p. 26.
PrairieLink: LT&T builds a data over voice network, by Tom Bullock, April 7, p. 34.
Public packet switched network plans delayed, March 31, p. 13.
SNET links ConnNet to national Tymnet, Jan. 20, p. 122.
US Telecom, Timeplex try joint marketing, April 7, p. 18.

DIRECTORY

Alltel Publishing settles dispute with Consolidated, Feb. 10, p. 94.
Ameritech Publishing introduces new look, May 5, p. 149.
Donnelley to get colorful with new printing process, Jan. 6, p. 24.
Gaulding takes helm at Pacific Bell Directory, Feb. 10, p. 96.
NTT seeks directory aid from ITT-Berry unit, May 5, p. 17.
Nynex plans directories for northern New Jersey, April 21, p. 26.
SW Bell will publish directories in N.Y., D.C., Feb. 24, p. 24.
United Telecom forms directory subsidiary, May 12, p. 13.
Yellow Pages ads to grow, acquisition to continue, March 31, p. 72.

EARNINGS

AT&T earnings drop for fourth quarter, Feb. 3, p. 96.
Annual earnings good news for most; GTE shows loss, Feb. 10, p. 86.
Centel expects lower first quarter earnings, March 24, p. 90.
Earnings picture brighter for most telecommunications companies, April 14, p. 71.
First quarter earnings are decidedly mixed, May 5, p. 146.
United Telecom, LinTelcom both report earnings drop, Feb. 17, p. 24.

EDITORIALS

Jan. 6, The cellular knot, by Larry Lannon, p. 29.
Jan. 13, Set the captives free, by Del Myers, p. 29.
Jan. 20, A solid, contemporary marriage, by Larry Lannon, p. 29.
Jan. 27, Silver spoons, by John Williamson, p. 33.
Feb. 3, Judge Greene's myopia, by Leo Anderson, p. 41.
Feb. 10, A matter of definition, by Sandra Williamson, p. 27.
Feb. 17, A step forward, but . . ., by Larry Lannon, p. 27.
Feb. 24, The widening gap, by Del Myers, p. 27.
March 3, A new barometer, by Leo Anderson, p. 27.
March 10, The true measure, by Sandra Williamson, p. 37.
March 17, Beware of black holes, by Del Myers, p. 29.
March 27, Can European telecom be saved?, by John Williamson, p. 35.
March 31, Bypass the dilemma—compete!, by Karen Woodward, p. 27.
April 7, Say it straight, by Larry Lannon, p. 33.
April 14, On target, by Del Myers, p. 29.
April 21, Fight backhoe blackout, by L. Frank Brisk, p. 37.
April 21, From the inventor of the local loop, p. 4 (Part 2 supplement)
April 28, Opportunity knocks?, by R.J. Raggett, p. 29.
May 5, Do you know what's going on?, by Leo Anderson, p. 37.
May 12, 'Economics will out,' by Larry Lannon, p. 29.
May 19, No vote of confidence, by Sandra Williamson, p. 39.
May 26, Meeting business' needs, by Larry Lannon, p. 27.
June 2, The 'new' TELEPHONY, by Leo Anderson, p. 29.
June 9, Vision . . . ( ) true or ( ) false, by Del Myers, p. 29.
June 16, Modified . . . but certainly not final, by Karen Woodward, p. 33.
June 23, More players, more profits, by Sandra Williamson, p. 35.
June 30, The public interest, by Carol Wilson and Larry Lannon, p. 27.

EDUCATION AND TRAINING

Find out something new from an industry report, Jan. 13, p. 24.
Find out something new from an industry report, Feb. 3, p. 99.
Find out something new from an industry report, Feb. 24, p. 93.
Find out something new from an industry report, March 17, p. 82.
Learn something new from an industry report, May 19, p. 147.
Pick up new facts at a seminar, Jan. 20, p. 24.
Pick up new facts at a seminar, Feb. 10, p. 24.
Pick up new facts at a seminar, March 3, p. 24.
Pick up new facts at a seminar, March 24, p. 30.
Pick up new facts at a seminar, April 14, p. 24.
Pick up new facts at a seminar, May 5, p. 34.
Pick up new facts at a seminar, May 26, p. 22.
Pick up new facts with a telecom report, April 7, p. 28.
Reports, June 9, p. 98; June 30, p. 23.
Seminars, June 16, p. 82.
Use industry reports to keep up-to-date, April 28, p. 82.

ELECTRONIC MESSAGE SYSTEMS

AT&T Mail makes debut; MCI, CompuServe connect, March 3, p. 20.
Commonwealth, Alltel buy Centigram voice messaging, by Ellis Booker, Feb. 17, p. 81.

FEDERAL COMMUNICATIONS COMMISSION

FCC makes its first move toward lifting RHC restrictions, by Maribeth Harper, March 24, p. 17.
FCC reins tightened by Supreme Court ruling, June 2, p. 12.
FCC rejects interim NTS plans; sets guidelines for new filings, April 14, p. 15.
FCC unveils Computer III; telcos cautiously optimistic, by Maribeth Harper, May 26, p. 13.
FCC's Dennis Patrick speaks out, by Maribeth Harper and Dennis Patrick, June 30, p. 28.
IBM, Pac Tel, Tymnet present joint CEI policy proposals, by Maribeth Harper, April 7, p. 13.
Wirth knocks FCC for 'piecemeal' deregulation, by Maribeth Harper, March 3, p. 15.

FINANCING

Telemetrics files suit against Republic Telecom, Feb. 17, p. 83.
Training gets top billing at Gandalf, by Del Myers, Feb. 10, p. 89.
Two telcos install new No. Telecom systems, March 10, p. 92.
Wang, Siemens affirm equipment compatibility, March 10, p. 92.
Ztel announces PNX upgrades, June 16, p. 84.

MARKETING

AT&T enters marketing agreement with SGS, Feb. 17, p. 19.
AT&T, IBM lead high tech field's ad spending, March 10, p. 94.
BellSouth to expand marketing of Rose, Jan. 20, p. 116.
Interand, AT&T co-market teleconference technology, by Carol Wilson, March 17, p. 80.
Lynch markets Near Space digital cross-connect system, March 31, p. 77.
Nynex announces joint agreement with CMD, May 5, p. 152.
Nynex subsidiaries enter joint marketing venture, Feb. 10, p. 94.

MEETINGS

Jan. 6, p. 11; Jan. 13, p. 11; Jan. 20, p. 11; Jan. 27, p. 11; Feb. 3, p. 11; Feb. 10, p. 11; Feb. 17, p. 11; Feb. 24, p. 11; March 3, p. 11; March 10, p. 11; March 17, p. 11; March 24, p. 11; March 31, p. 11; April 7, p. 11; April 14, p. 11; April 21, p. 11; April 28, p. 11; May 5, p. 11; May 12, p. 11; May 19, p. 11; May 26, p. 11; June 2, p. 11; June 9, p. 11; June 16, p. 11; June 23, p. 11; June 30, p. 11.

MERITS & MILESTONES

Jan. 27, p. 86, Feb. 24, p. 112; March 24, p. 112; April 28, p. 104; May 26, p. 112; June 23, p. 128.

MICROWAVE

Digital microwave and ISDN local loops: Could this be a match made in heaven?, by David W. Hargreaves, May 19, p. 88.
Digital microwave radio: determining first Fresnel zone clearance, by Kevin J. Mousseau, March 3, p. 36.
RF repeaters solve microwave path problems, by Barry J. Leff, March 3, p. 28.
Wang, M/A-Com to provide local bypass options, March 31, p. 77.
Who does the nuts and bolts work on frequency coordination?, by Daniel J. Collins, March 3, p. 40.
Why short-haul microwave makes sense, by Moshe Nattiv and Frank Miani, March 3, p. 34.

MOBILE TELEPHONE SERVICE

AT&T signs direct-connect deal with cellular company, Feb. 3, p. 95.
Advantages of a sector-receive cellular plan, by Morton Stern and Victor Graziano, June 9, p. 73.
Ameritech Mobile to offer itemized account billing, March 10, p. 94.
Bell Atlantic to provide cellular clearinghouse, Feb. 3, p. 91.
BellSouth, MCCA proceed in cellular joint venture, March 3, p. 23.
Beyond MSAs: Bringing cellular service to rural America, by Edward W. Towers, Jan. 6, p. 30.
Cellular billing problems do have solutions, by Charles P. Buckley, June 2, p. 48.
Cellular investing deals run afoul of courts, March 17, p. 24.
Cellular service offered for international travelers, Jan. 6, p. 26.
Diamond State offers first direct cellular link, Feb. 3, p. 34.
Ericsson claims 25% of U.S. cellular market, Feb. 17, p. 90.
Kansas City non-wireline cellular system on line, March 10, p. 96.
Metro One turns on N.Y. cellular system, April 7, p. 25.
Opening the non-MSAs: another proposal, by Robert J. Marino and Robert H. Baranek, Jan. 6, p. 34.
PacTel Mobile Access donated two cellular phones to Children's Hospital in San Diego, Jan. 6, p. 24. (Photo)
RHC cellular units to compete in San Diego, June 16, p. 82.
SW Bell Mobile offers new economy rate plan, March 10, p. 94.
Telco-cellular interconnections are a matter of mutual interest and significant potential profit, by Jan David Jubon, April 7, p. 38.
Things look slightly better to non-wirelines in '86, by Maribeth Harper, April 7, p. 48.

MOVING AROUND INDUSTRY

Jan. 6, p. 73; Jan. 13, p. 89; Jan. 20, p. 131; Jan. 27, p. 71; Feb. 3, p. 100; Feb. 10, p. 100; Feb. 17, p. 104; Feb. 24, p. 95; March 3, p. 62; March 10, p. 100; March 17, p. 86; March 24, p. 93; March 31, p. 80; April 7, p. 70; April 14, p. 73; April 21, p. 102; April 28, p. 86; May 5, p. 160; May 12, p. 64; May 19, p. 151; May 26, p. 95; June 2, p. 80; June 9, p. 99; June 16, p. 104; June 23, p. 110; June 30, p. 47.

NEW BOOKS & AUDIOVISUALS

Jan. 6, p. 88; Feb. 3, p. 118; March 3, p. 80; March 31, p. 96; April 14, p. 88; May 5, p. 178; June 2, p. 96.

NEWS IN BRIEF

Jan. 27, p. 69; Feb. 24, p. 94; March 24, p. 91; April 28, p. 84; May 26, p. 94; June 23, p. 107.

OBITUARIES

BARNHART—Hugh Barnhart, Indiana telco executive, dead, March 3, p. 24.
DENSMORE—Former Centel exec Densmore, dead at 89, June 9, p. 98.
EVERETTS—Sid Everetts, splicing contractor, dies at 47, June 30, p. 25.
FOCHLER—Former PacBell Director CEO, Fochler, dies at 54, April 7, p. 29.
GOLTERMANN—Ulrich Goltermann, company founder, dies, June 23, p. 107.
KEEFER—No. Pittsburg Tel exec, George Keefer, dies at 79, May 5, p. 34.
MAUCKER—Otto Maucker, founder of Elburn show, dead, Jan. 20, p. 26.
MOODY—Moody, director of Bell Independent Relations, dies, Feb. 3, p. 34.
McFEE—McFee, founder of Concord Tel, dies at age 89, May 5, p. 34.
POLLOCK—Reuben J. Pollock dies at age 85, March 10, p. 34.
RENWICK—Renwick, former president of GTEDS, dead at 67, Jan. 13, p. 26.
URQUHART—Mitel's Charles Urquhart dies following heart attack, April 21, p. 34.

OPTICAL COMMUNICATIONS

22 companies join in undersea FO cable project, Feb. 3, p. 99.
Corning Glass Works recently doubled lab size and capacity, Feb. 3, p. 96. (Photo)
Corning, Compania Telefonica form FO production company, May 5, p. 142.
Economic FO system for new residential services, by Neale C. Hightower, March 17, p. 44.
Expanded FO technology available on LiTel net, May 5, p. 154.
Fiber optic switch in a briefcase, by Robert E. Dragoo, May 5, p. 108.
ICC to build FO network for Washington businesses, Feb. 17, p. 90.
Long FO cable pulls pay off in both money and time, by Patrick Smith, May 12, p. 40.
NTN member networks mark first interconnections, Feb. 3, p. 96.
Nevada Bell plans first FO project, Jan. 6, p. 71.
New land-to-sea FO cable jointing system, by Edward Yanowiski, Robert K. Stix and Tat. C. Lee, June 30, p. 40.
Norlight network becomes reality, June 16, p. 84.
STC, Telco Systems enter joint FO development plan, May 12, p. 22.
SoneTran continues FO production despite lawsuit, Feb. 3, p. 94.
SouthernNet inaugurates Virginia fiber optic link, April 7, p. 26.
Stantel, Telco Systems to produce FO products, by Patricia Tobin, Feb. 10, p. 24.
Troubleshooting a fiber optic line: a step-by-step guide, by John D. Chipman, Feb. 10, p. 41.
United Tel. Co. of Florida has installed a Stromberg-Carlson System 565 fiber optic system, April 28, p. 70. (Photo)
Wang launches Chicago to Milwaukee link, Feb. 17, p. 94.

PART 2 SUPPLEMENT

The Chester 'real world' lab: a proving ground for OSP products, April 21, p. 23.
Combatting wet cable service outages, by L. Frank Brisk, April 21, p. 19.
Field conditions—wherever you are—determine which OSP product is the right one, April 21, p. 36.
From the inventor of the local loop, April 21, p. 4.
Hazards in the loop: a defense strategy, April 21, p. 5.
An inside look at OSP problem-solving, by Carol Wilson, April 21, p. 27.
OSP product review, April 21, p. 37.
What's coming in the loop?, by Del Myers, April 21, p. 30.

PLANT

AGT gets static under control, by Dennis T. Hillman, Feb. 3, p. 70.
Bulk power for CEVs, by George Lynch, June 2, p. 38.
CNCP Telecommunications places FO cable alongside Canada's rails—with a little help from a friend, by Robert T. Bradley, Feb. 17, p. 42.
The Chester 'real world' lab: a proving ground for OSP products, April 21, p. 23. (Part 2 supplement)
Choosing an FMS: Look carefully at the alternatives, by Peter D. Mastro, March 3, p. 44.
Combatting wet cable service outages, by L. Frank Brisk, April 21, p. 19. (Part 2 supplement)
Copper cable goes underground to protect buried FO cable, by Frank Nowak and Manuel Vasquez, Feb. 17, p. 34.
DLC helps telco establish new wire center, by Robert C. Nilson, May 5, p. 96.
Does paired copper cable have a future in Canada?, by E. Kardicali, March 10, p. 64.
Economic study tool for distribution services, an, by L.A. Chase, April 21, p. 60.
Effect of temperature on laser transmitters, by Timothy E. Starr, Christina B. Galanti and James A. Jamra, March 17, p. 34.
Efficient cable press re management squeezes out more protection for your money, by Carl F. Rusert, Feb. 17, p. 28.
FO cables and petroleum pipe lines: strange bedfellows work well together, by Robert J. Soukup and Charles M. Cole, Feb. 17.
FO trestle wrestle, by David L. Pous, Stan Manous and John Pickrell, April 21, p. 50.
Hard data on pole climbability, by Edward E. Messina and Michel Landry, Feb. 10, p. 51.
Hazards in the loop: a defense strategy, April 21, p. 5. (Part 2 supplement)
Headset headache relief, by Barbara Krummel, April 21, p. 46.
Helpful Literature — Jan. 13, p. 104; Feb. 10, p. 118; March 10, p. 120; April 7, p. 88; May 12, p. 80; June 9, p. 116; June 30, p. 64.
Improved customer service is just one of the benefits of a mechanized repair bureau system, by Ron Stein, April 21, p. 74.
An inside look at OSP problem-solving, by Carol Wilson, April 21, p. 27. (Part 2 supplement)
MCP oscilloscopes can boost digital system performance, by Skip Hillman, May 19, p. 109.
Mobile data communications boost OSP technicians' productivity, April 21, p. 58.
Mountain Bell dusts off an old procedure for locating pressure leaks and finds it works well, by R.L. Coker, April 21, p. 3.
New products — Jan. 6, p. 69; Jan. 13, p. 70, Jan. 20, p. 110; Jan. 27, p. 58; Feb. 3, p. 82; Feb. 10, p. 74; Feb. 17, p. 66; Feb. 24, p. 66; March 3, p. 56; March 10, p. 79; March 17, p. 68; March 24, p. 72; March 31, p. 52; April 7, p. 55; April 14, p. 69; April 21, p. 88; April 28, p. 52; May 5, p. 132; May 12, p. 54; May 19, p. 140; May 26, p. 86; June 2, p. 62; June 9, p. 82; June 16, p. 76; June 23, p. 79; June 30, p. 43.
Off-line batteries = big savings for New York Telephone, by Joseph M. McAndrews, June 2, p. 32.
A pilot FMS installation gives planners a chance to see alternatives in action, by Peter D. Mastro, Feb. 10, p. 59.
Planning makes the difference when implementing an FMS, by Peter D. Mastro, Jan. 20, p. 94.
Planning shallow water cable crossings, by Harry Johnson, June 16, p. 64.
Power conditioners keep PBX on-line, by Don Culbertson, June 2, p. 37.
Troubleshooting a fiber optic line: a step-by-step guide, by John D. Chipman, Feb. 10, p. 41.
United Tel tracks T-carrier errors by remote control, by Jay Shelton, May 5, p. 120.
United of Pennsylvania beats overvoltage problem, by Larry C. Carmody, June 2, p. 46.

What's coming in the loop?, by Del Myers, April 21, p. 30. (Part 2 supplement)

RATES AND REGULATIONS

California PUC lowers Pacific Bell rates, Jan. 20, p. 118.
GSA, DOD target 31 states for rate reductions, June 23, p. 27.
Kansas State Tel's rate bid lowered, May 12, p. 22.
Local rates vary widely with state, June 16, p. 84.
Mountain Bell files rates in Arizona, Feb. 17, p. 88.
New York Tel suggests 3-year halt to rate hike requests, Jan. 13, p. 13.
Pacific Bell rate restructuring rejected by PUC, June 30, p. 13.
Rate moratorium plan nears acceptance, April 14, p. 22.
Refunds likely following court ruling, June 23, p. 106.
United-Northwest withdraws rate increase request, May 5, p. 144.
Wisconsin Bell ordered to cut rates, issue refund, March 31, p. 77.

REGIONAL HOLDING COMPANIES

Ameritech Services has signed a contract with AT&T Network Systems, April 21, p. 100. (Photo)
Ameritech buys interest in speech synthesis firm, Jan. 13, p. 13.
Ameritech to include Siemens in switch bids, Feb. 24, p. 21.
Ameritech's Bill Weiss: straight, no chaser, by William Weiss and Del Myers, Feb. 3, p. 46.
Baker named Bellcore senior vice president, March 17, p. 82.
Bell Atlantic opens new retail outlets, April 7, p. 28.
Bell Atlantic to acquire Philadelphia real estate, April 21, p. 32.
Bell Atlantic to handle MCI customers' bills, Feb. 10, p. 89.
BellSouth first to offer enhanced 911 service, Jan. 6. p. 22.
CompuShop to close duplicate stores, Feb. 17, p. 88.
Consolidated PacTel units renamed PacTel InfoSystems, May 19, p. 34.
FCC makes its first move toward lifting RHC restrictions, by Maribeth Harper, March 24, p. 17.
First BOC field trial keeps Ericsson AXE in the race, by Carol Wilson, June 16, p. 14.
Grunberg to head international unit of U S West, June 23, p. 30.
Heated words fly as Greene rejects RHC business requests, by Maribeth Harper and Carol Wilson, Jan. 20, p. 15.
Ivy covered trial for new Nynex MAN, June 30, p. 12.
NW Bell rejects NATA manufacturing complaint, Feb. 17, p. 91.
New company unites BellSouth business units, Jan. 6, p. 13.
Nynex International opens Geneva office, June 9, p. 97.
Nynex is third RHC to order Siemens switch, Feb. 17, p. 15.
Nynex opens two Datago stores in Boston area, June 2, p. 70.
Nynex tests metro area network, June 30, p. 22.
Nynex, ADI join forces to market manager, May 12, p. 24.
PacTel Communications merges two subsidiaries, April 28, p. 72.
Pacific Telesis International has signed an agreement with Kaiser Engineers, May 12, p. 62. (Photo)
RHC cellular units to compete in San Diego, June 16, p. 82.
RHCs lead the way in buying computer companies, Feb. 3, p. 96.
Siemens, U S West formalize joint marketing plans, April 28, p. 77.
Three RHCs raise dividends; two announce stock split, March 31, p. 70.
Three new Datago stores opened in the Northeast, Feb. 3, p. 94.
Two RHCs back magazine publishing venture, Jan. 6, p. 13.
U S West companies devise BOC-based 800 service, Feb. 17, p. 24.
U S West companies mount joint marketing effort, March 31, p. 23.
U S West early retirement plan draws 3600 employees, March 31, p. 70.
U S West names new chairman, June 16, p. 94.
U S West unit to debut operator position system, by Larry Lannon, May 12, p. 21.

SALES AND CONSOLIDATIONS – TELCO

Alltel acquires Heins, May 26, p. 24.
North-West Telecom buys Platteville Telephone Co., May 19, p. 147.
PNB, United set service area swap, June 9, p. 94.
TDS continues expansion with two telco acquisitions, May 19, p. 30.
TDS enters Arkansas with telco purchase, May 5, p. 152.

SALES AND CONSOLIDATIONS

ATC to acquire bankrupt Satelco, June 16, p. 90.
Ameritech Publishing buys Old Heritage, April 7, p. 21.
Ameritech buys 95% of Applied Data shares, Jan. 20, p. 128.
Amphenol Products buys Thomson-CFS's Socapex, Jan. 20, p. 120.
BellSouth acquires L.M. Berry & Co., Feb. 17, p. 18.
Businessland to acquire United's AmeriSource chain, April 14, p. 24.
California Microwave buys test equipment company, April 7, p. 25.
Cincinnati Bell buys cellular billing firm, June 16, p. 96.
Contel Business Systems restructures management, Feb. 3, p. 93.
Contel Tenant acquires Intelligent Comm Control, May 5, p. 146.
Contel Texocom completes three acquisitions, Feb. 17, p. 94.
Contel buys Western Union gov't. systems unit, March 3, p. 24.
Contel, IPC complete purchase agreement, Feb. 3, p. 94.
Data General acquires interest in Dama Corp., Feb. 10, p. 90.
Fujitsu Imaging acquires Burroughs' division, March 31, p. 74.
Futurtek Communication buys into Myriad, Feb. 10, p. 90.
GTE Telenet buys into telex firm, by Larry Lannon, June 9, p. 97.
Infotron proposes merger with Applitek Corp., May 12, p. 62.
MCI announces completion of SBS for $564M, March 10, p. 26.
MCI, McCaw sign final deal for Airsignal sale, Jan. 20, p. 126.
Mocom to acquire Missouri paging, answering service, Jan. 6, p. 24.
Motorola buys GE mobile phone unit, Jan. 20, p. 116.
NaBANCO management buys unit from Contel, Jan. 20, p. 120.
Northern Telecom denies acquisition rumors, May 12, p. 13.
Nynex Business Systems buys Sonecor operations, April 21, p. 32.
Nynex Development buys software company, April 28, p. 77.
PacTel unit merges with global consultant, Jan. 27, p. 68.
Telemobile buys Pace, Jan. 6, p. 23.
U S West subsidiary buys two publishers, Jan. 20, p. 126.
U S West unit acquires financial software firm, April 14, p. 24.
U S West unit buys NY directory publishing firm, June 16, p. 94.
Wang acquires remaining 80% of PBX-maker Intecom, June 2, p. 17.
Wisconsin group buys Washington teleport, Jan. 20, p. 128.

SATELLITE COMMUNICATIONS

Ariane crash casts doubt on future space launches, by R.J. Raggett, June 9, p. 24.
Hughes to provide EDS with satellite service, March 10, p. 34.
Hughes turns to Ariane for 1987 satellite launch, May 19, p. 31.
Satellite service to use Philips' Sopho-Net, April 28, p. 80.
Teresat, Chinese work toward satellite launch, May 12, p. 24.

TELEPHONE ANSWERING SERVICE

Bell Canada launches U.S. answering bureaus, Jan. 13, p. 23

TELEPHONY MAGAZINE

New quality problems trouble telecom industry, by Ellis Booker and Sandra Williamson, April 14, p. 44.
New unity pact ups SLC, pushes pooling charges, by Carol Wilson, June 30, p. 22.
Occam and the transputer: telecommunications simulation, by Mark Sheircliff, March 24, p. 54.
Open architecture needs support: Clendenin, by Carol Wilson, May 26, p. 13.
Poll: Breakup unpopular despite quality service, Jan. 13, p. 24.
Smart questions, smart answers, by Mark T. Sutter, June 2, p. 53.
Strategic issues and planning in the long-distance arena, by Thomas Cook, Paul Falchi and Daniel Hodes, June 9, p. 32.
Telcos' quality of earnings meet business standards, March 10, p. 30.
Telecom employment view partly cloudy in 1985, Jan. 20, p. 128.
'Your number please?' gains a new meaning, by Mike Mase, April 14, p. 60.

TELECOMMUNICATIONS SERVICE

PNB, Gen Tel offer home alarm system, April 21, p. 98.

TELECONFERENCING AND VIDEOCONFERENCING

Dial-up video speeds business decisions, by James W. Cronin, March 31, p. 32.
JEP Systems offers multipoint conference, Feb. 17, p. 84.
New customer-controlled DS3 video switch, by J.S. Linnell and H.R. Lehman, June 16, p. 53.
Teleconferencing demystified, by Charles F. Urbanowicz, Ralph F. Mouter and Leslie J. Wright, May 12, p. 48.

TRANSMISSION

DOBS keeps the echo out of the LATA switched access network, by E.C. Mosley, May 19, p. 66.
Fast and furious, telcos embrace digital networks, by Walter J. Burmeister, June 23, p. 50.
Get inside CCITT signaling system No. 7, by Marcie G. Walker, March 10, p. 64.
Speech synthesis in remote circuit testing, by John Poremba, June 16, p. 70.
Synchronization overview, by Neville J. Ronan, May 5, p. 104.
Synchronous transmission at DS3, by R. Ballart and J.M. Rydzak, May 19, p. 98.
Voice the of the future—in your telephone, by Bishnu S. Atal and Richard Q. Hofacker Jr., March 31, p. 38.

USTA

Boosting BOC attendance a Western Showcase priority, by Patricia Tobin, Feb. 10, p. 13.
USTA announces more staff changes, June 9, p. 96.
USTA expands scope to include REA affairs, Feb. 10, p. 94.
USTA finds new home, March 31, p. 77.
USTA names new counsel, regulation director, April 7, p. 19.
USTA officials mum on retirement report, Jan. 20, p. 26.
USTSA members aid U.S. in Caribbean assessment, Feb. 3, p. 95.

VIDEOTEX

Covidea, Bank of America join Project Victoria, April 7, p. 18.
Infomart to provide videotex in Florida, Feb. 17, p. 82.
Knight-Ridder closes down Viewtron videotex service, April 7, p. 21.

THE WAY WE WERE

Jan. 20, p. 150; Feb. 17, p. 120; March 17, p. 104; April 21, p. 120; May 19, p. 168; June 16, p. 120.
